EVANGELIST BRYAN CALLED TO HELP STATE BOARD HEAD

Two Weeks' Protracted Meeting Closes At Baptist Church—Splen- did Sermons Were Heard

Revival services at the Stanford Baptist church which have been in progress for a little over two weeks, were brought to a close Thursday night when Rev. O. E. Bryan, state Baptist evangelist, who has been doing the preaching, was called to Louisville to take up his new work as assistant to Dr. W. E. Powell, secretary of the Baptist State Board of Missions. Rev. Bryan was elected to his new duties at a meeting of the board at Louisville Tuesday. Dr. M. D. Early, pastor of the local church, is a member of the board, and attended the meeting at which Rev. Bryan was given his new duties. Dr. Powell is in very poor health and is compelled to undergo a serious operation at once.

Great interest was manifested in the services from the beginning to end, and much regret was felt that Rev. Bryan was called away before the meeting was concluded. He is a man of unusual power in presentation of the Word, and every sermon was delivered in his own peculiar and forceful way. He made many see the old gospel truths in a new light, and at the same time made many warm friends and admirers here, whose best wishes will ever be with him in his great work.

At the close of the services Thursday night, Pastor Early said that he could wish that in some united way all the churches of Stanford could unite to carry on this revival, in some large tent or assembly hall; that he was anxious to see the work go on in Stanford. At the meeting of the Baptist board, the selection of an assistant to Dr. Powell was made necessary by the adoption of the budget plan to distribute the financial contributions to the board.

The Rev. W. L. Brock, of Lexington, was re-elected as Sunday School secretary and Paul Powell, son of Dr. Powell, who was a B. Y. P. U. secretary, of Louisville, was made his assistant. The Rev. N. T. Barnes, of Louisville, was re-elected secretary of the Kentucky B. Y. P. U. and A. E. Wohlbold made office secretary and assistant treasurer.

Additional appropriations were voted Baptist Woman's Missionary Union to enable them to enlarge their sphere of usefulness. The union now has over 1,100 organizations in the state.

Aside from the budget the board has also taken on itself, as part of coming year's program, the study of plans and the raising of between \$200,000 and \$500,000 for the endowment and equipment of the denominational schools and colleges throughout the state.

Thompson, M. Ledly Phillips and Carl A. Love, who entered service in 1907 and 1908, between Danville, Ky., and Oakdale, Tenn.

LOSES HAND IN HEMP BREAK.

S. R. Wilder, who bought the McRoberts farm in the Shelby City section, a few years ago, had his right hand amputated Wednesday as a result of getting it caught in a new style hemp breaking machine. Mr. Wilder was working one of the new makes of machines on his farm with his large hemp crop, and in reaching up in to the machine got his hand caught. The machine could not be stopped in time to save the member, and when he was released the member was horribly crushed. Physicians found it necessary to amputate the hand above the wrist. This is Mr. Wilder's second serious accident, he having lost a limb several years ago.

AGED LADY BREAKS LIMB

Mrs. R. A. Parson, one of the oldest women in the county, sustained a severe accident at her home near Rowland Friday morning when she fell and fractured her left limb. She slipped on the floor of her home and fell in such a way that her left limb between the knee and the thigh was broken. She was given prompt medical attention, but the injury is bound to be a very serious one to Mrs. Parson on account of her age.

C. O. NEGRO IN JAIL HERE

Tom Fish, a Crab Orchard negro, is in county jail here, on a charge of cutting his wife and his mother-in-law with a knife. His wife, who is in a delicate condition, is said to be severely cut on the side. The affair took place last Saturday night. Fish says that the women were trying to take the knife away from him when they were cut.

MRS. DAYTON WON MEDAL

A splendid sum was realized at the W. C. T. U. matrons' medal contest at McKinney early in the week. Mrs. Dayton was declared the winner by the judges who were Judge Sam J. Pugh, of Vanceburg, and Misses Fara and Ballard, of the Stanford city school. About \$26 was realized at the door which goes to help the W. C. T. U. work.

BOOTLEGGING CHARGED

Here, There, Everywhere

In local option elections in Massachusetts Tuesday, the drys gained four towns, losing none.

The Monticello High School basketball team defeated Columbia high of a score of 38 to 12.

At Flemingsburg, this week, during a thunderstorm, Miss Loretta Dye, while walking along the street had a piece of glass which she was carrying broken in her hand by a stroke of lightning. Her arm was badly blackened up, but she suffered no injury from it whatever.

Take "Cascarets" If Headachy, Bilious And Constipated

Best For Liver And Bowels, Bad
Breath, Bad Colds, Sour
Stomach

Get a 10-cent box.
Sick headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months. 97-1

Memorial To Airman

Caswell Saufley's Classmates to Place Tablet In Capitol.

A dispatch from Frankfort Wednesday said that the Capitol Commission has granted permission to the Class of 1908 of the United States Naval Academy to place in the capital building a replica of a memorial tablet which is being installed at Annapolis to the memory of Lieut. Richard Caswell Saufley, of Stanford, who was killed by a fall in his aeroplane off Pensacola, Fla., June 9th, last. Lieut. Saufley stood high in his graduating class from the naval academy and was a great favorite, and it is understood that the members of the class appreciating the high rank he had attained in the U. S. flying service and the world's records he had set, voted to place this memorial to him and his achievements.

Eb Kennedy's Bad Luck

Assessor Falls and Breaks Shoulder While Wife Is Also Laid Up

Assessor E. D. Kennedy is certainly having his share of bad luck this fall. With Mrs. Kennedy in the hospital at Danville with a broken limb, Mr. Kennedy is now laid up at his home on Hustonville street with a broken shoulder. While cutting meat on his back porch Wednesday, he took a step backward, missed his footing and went off the porch, striking on his shoulder and breaking his left shoulder. The injury is a very painful one. Physicians set the member and did all in their power, but Mr. Kennedy will be confined to his home for some time.

Boyle Claims Senator

But Billy Gooch and Clay Kauffman Are "Mentioned."

District politicians are beginning to pay some attention to the senatorial race which comes off next year, at the same time as the county primaries. The Louisville Times this week said:

Friends of Jay Harlan, the well known lawyer and politician of Danville, are booming him for State Senator in the district composed of Boyle, Lincoln, Garrard and Casey counties, and he is expected to be sure starter in the race. Boyle county claims the right to furnish the nominee for State Senator next time and insists that the rotation agreement between the counties in that senatorial district has long been disregarded so far as Boyle county is concerned. The point is made that it has been twenty years since Boyle county furnished a Senator and he was a Republican, E. C. Linney.

It would appear that the other counties in the Eighteenth senatorial district are not taking the claim of Boyle county seriously, for it is understood that Lincoln county will put forward Representative W. G. Gooch and that Representative H. Clay Kauffman, of Garrard county, will try for the seat in the State Senate. Both served in the last legislature and were lined up with the State Administration. The present State Senator from that district is Charles F. Montgomery, of Casey county. His predecessor was R. L. Hubble, of Lincoln county who served two terms of eight years, and he succeeded George T. Farris, of Garrard county who was also a State Senator for eight years.

Looks Like a County Judge.

(From Lancaster Record)

Hon. Thomas A. Rice was mingling with his friends on county court day in Lancaster who came over from Lincoln county. Mr. Rice is an announced candidate for the Democratic nomination for county judge of his county, subject to the next August primary. Judge Rice tells us that he is in the fight to win and to a fellow on the outside it looks good for him at this time. His friends say that he is far in the lead and will probably land the winner next August. We are not advised, however, as to his chances, but we do know that our Democratic neighbors in Lincoln cannot find a better democrat to lead their ticket next year. Tom Rice is not only a true blue democrat but is a gentleman of ability with a wide business experience and is in every way equipped to look after the fiscal affairs of his county. Here's hoping that he may win the goal of his ambition. 97-1

Martha Circle Entertains

Delightful Affair at Crab Orchard— East End Items.

Crab Orchard, Dec. 8.

The "Martha Circle" held their first carnival at the Masonic Hall, Saturday evening, Nov. 25th, and a large crowd attended. On both sides of the hall beautiful booths were erected. The first booth to the right beautifully draped in scarlet and green was the fancy work display, where everything in lovely needle work was shown. This work showed skill, patience and taste and was presided over by Miss Myrtle Murray and Mrs. Myrtle Goodwin. Next came the candy and peanut booth, draped in white and red hangings, and contained a most tempting display of delicious home made candies and freshly roasted peanuts. It was presided over by Misses Ethye Geiszl and Mary Siler, with Irene Manuel, Eva Geiszl, Elizabeth Newland and Mary Messer, as helpers and you know it was a sweet booth. Next on the same side of the hall was the well which held in its depths many useful and handsome packages, which were drawn up and presented by Misses Tanna Thompson and Nadine McClure. This was a very popular scheme and many more packages could have been disposed of if they had been there. The well scene was a pretty one. Cedar boughs, palms, ferns and other plants surrounding it, made it a most realistic affair.

Then across the entire end of the hall stood the chocolate and cake booth, presided over by the mother of the circle, Mrs. M. E. Fish, who was beautifully attired in pure white and never looked better. She was assisted by the president of the order, Mrs. Frazier Hurt, Misses Byrd Perkins, Mayne Holman, and Myrtle Jones. This booth was certainly handsome. Over the top were suspended bright stars and immediately under the center was suspended an ornamental circle and in the center in silver letters the word "Martha." Everywhere were natural looking roses, lilies and other flowers suspended and large bunches resting in cut glass vases. The pink, green and white looked very beautiful against a background of pure white. Holly and mistletoe peeped at you everywhere. Here was found the most delicious cake and chocolate and it was liberally patronized and was the handsomest booth of all.

On the left side of the hall was the coffee and sandwich booth draped tastefully in the national colors, with the American flag handsomely draped overhead. Here was to be found the finest coffee, splendid sandwiches, salads, pickles and was gracefully presided over by Mrs. Jamie Carpenter, Misses Jewell Goodwin and John Eva Hilton. It was also liberally patronized.

Next was the weird home of the Fortune Teller. Outside was perched a wise looking owl and other emblems pertaining to the craft. Inside sat a hideous crone who whined at your past misdeeds, your present badness and your future woe. No one guessed who she was for some time when finally it leaked out that it was our pretty and shy Miss Ellen Moore, who knew so much about the people's doings and gave such wise advice. Good music, good behavior and a liberal patronage amounting to \$45 was what the circle had to thank the public for. Mrs. Allie Pettus assisted by many of the young people furnished the music and special songs by Miss Tanna Thompson made everything pass pleasantly.

Dr. Doores, who has been very low with pneumonia is getting much better. This will be good news to his many friends all over the county, who have been brought back to health by the efforts of this good old doctor, who went far and near to relieve sickness in others, and many were alarmed over his condition. Dr. Edmiston has been attending him faithfully.

Mrs. Manuel has been walking in her room.

Mrs. Price, who was Miss Ila Hunter, is quite sick with typhoid fever at the home of Mrs. Garner Price.

Mrs. J. B. Conn, of Lancaster, who has been with Mrs. Susie Curtis for several days spent Sunday with the family of Mr. Frazier Hurt.

Mesdames J. C. Seeley and J. T. Delaney, of Louisville, Messrs. Maurice Hamm and Harold Shuckert, of Detroit, Mich., visited Mrs. S. L. Cummins, last week, making the trips in Mr. Hamm's Overland car.

Mrs. Claudia Holman and Miss Maymie, returned Monday from a most pleasant visit to relatives in Paris.

Montez Fish went to Louisville

Monday last to be absent several days.

Mr. Billy George Holman is with his brother, Charles, in Paris.

Mrs. L. F. Jones and Porter are with her parents, near London.

Mesdames Caltha and Sallie Newland went to Somerset Wednesday to visit relatives.

Mr. S. L. Cummins, our miller, purchased the Robert Thompson home last week for \$4,200, we are told. This was formerly the D. B. Edmiston property and one of the nicest homes here. The whole town is in sadness over having to give up this excellent family.

Miss Alene Collier brought a little school mate home with her from Mt. Vernon to stay from Saturday until Monday with Mr. and Mrs. R. L. Collier.

Rev. C. E. Wyatt preached splendid sermons Sunday morning and night at the Christian church. The subject of the morning discourse was "Purity of Life," and was ably and plainly handled, but his crowning effort was brotherhood, as it takes in the whole world, which, he so elegantly and beautifully presented at the evening service. Rev. Wyatt has grown better and better since his first sermon at this place, and now as his work for the church here is nearing its close, his grandest sermons are being given us. It is owing to ill health that he leaves Crab Orchard for a warmer climate.

Miss Mary Lucile Burgin returned to Campbellsville Monday, after a pleasant visit to her family and friends during Thanksgiving. She is well pleased with her school there.

Mrs. Maggie Gover and Shirley came over from Lexington to spend Thanksgiving with Wallace and attend to her business interests here.

Mr. Bowen Gover, of Stanford, attended services at the Christian church Sunday evening.

The Ladies Aid of the Baptist church had splendid success at their bazaar last Saturday, something near \$20 being realized.

The Baptist church which has been so long without a pastor has been fortunate to secure the services of Rev. Clere, of Lancaster, who will preach twice a month. He preaches Sunday morning, Dec. 10th, and also that night. Everyone go to hear him for he never fails to interest and edify his audience and the church is to be congratulated upon being able to secure the services of this fine minister and splendid worker.

Mr. John Buchanan, of Louisville, has been with the homefolks here.

We don't believe a better man can be found anywhere for Representative than Mr. Skiles, of our town, who is one of the very best Christian gentlemen to be found, one in whom the whole county can trust with their business affairs, one who has won the respect of all our people by his strict adherence to business and gentlemanly treatment of all classes.

Mrs. J. G. Carpenter, of Stanford, was here Tuesday to see her mother, Mrs. M. E. Fish, who has been quite sick for several days.

Miss Lizzie Carson, who has been in Corbin some time was called home by the death of her sister, Mrs. Brown who lived near Brodhead. She was a splendid woman, loved by all her neighbors and friends and will be sadly missed.

Thanksgiving was the duller ever known here. We have only heard of one family indulging in turkey and we are told the sum of \$50 was paid for this. Rev. Jasper Livingston delivered an excellent sermon, a union service at the Baptist church and the smallest kind of a crowd was present but autos were flying; people were hieing to places where grub was immense; while the poor working feller who called on the seller was informed it took dollars and cents to buy a square meal in Crab Orchard.

KILLED IN FLORIDA.

Relatives came here Friday to meet the body of Shannon McKinney, brother of W. M. McKinney, of Hustonville, who is said to have been killed in an auto accident at Jacksonville, Fla., Wednesday. The deceased was buried in Stanford. He was about 46 years of age and is survived by his wife, who was a Miss Hocker, and three children. His brothers and sisters are W. M. McKinney, of Hustonville, Mrs. Bettie Owens, of Oklahoma, Mrs. Fannie Smith of Tennessee, Mrs. Kate Dedman of Somerset and George McKinney, of Kansas. He was a member of the large McKinney family connection of the West End. The deceased had been engaged in the hotel business in Florida, it is understood.

RICE GETS IN RACE

SECOND CANDIDATE TO RUN FOR COUNTY JUDGE

Writes a Strong Card to the Democrats, Setting Forth Platform He Will Stand Upon.

With the reorganization of the Democratic County Committee out the way, interest in county politics is growing daily, and many candidates are being groomed by their friends.

The second candidate to announce for the Democratic nomination for the County Judgeship is out today. He is Tom A. Rice, a prominent Stanford farmer, who made a very creditable race four years ago, and has jumped into the running this time with "both feet" and is getting ready to "go some." He issues a strong card to the democrats of the county setting forth his claims, as follows:

To Democrats of Lincoln County.—I am a candidate for County Judge at the primary election to be held the first Saturday in August, 1917.

I entered the primary in 1913 for this same office, known by only a few, outside of this Magisterial district, against two of the most widely known democrats in the county and was defeated by only a few votes. The experience I gained in that race, the new friends I made and the solid support of my old friends, of which I am assured will return me a winner this time. If my ambition is realized, I shall give the county's business the same careful attention, that I give my private business.

The strictest economy in the expenditure of the county's funds, consistent with efficiency, will be practiced.

The turnpike funds should be used where most needed and where the greatest number of taxpayers will be benefited. I shall make frequent inspection of the pikes and dirt roads.

In view of the high cost of living, I favor giving the men who work the dirt roads one dollar per day of ten hours, and fifty cents for the day when they furnish wagon and team, and it is unjust to force them to work for the county for less.

I shall insist upon the enforcement of all the laws, at the time by all the officials. Your support will be appreciated. T. A. RICE.

Mrs. Garman's Father

Passes Away Thursday Night After Lengthy Illness.

James F. Hill, father of Mrs. E. C. Garman, wife of the well known railway mail clerk, passed away Thursday night about eight o'clock at the home of Mr. and Mrs. Garman, with whom he had made his home for several years. Organic heart trouble with complications was the direct cause of his death, which came peacefully to the aged gentleman, after a long period of declining health. The deceased was 76 years and three months old, having been born in Cumberland county, where in early life he was engaged in carpentering and contracting work. He was a splendid citizen in every way, quiet and unostentatious in his daily life, but with gentle, courteous, of sound business principles, and respected and esteemed by all who knew him. His wife preceded him to the Great Beyond a number of years ago. In addition to Mrs. Garman, Mr. Hill is survived by the following children: E. C. Hill, of St. Louis, J. B. Hill, of Ada, Okla., Mrs. J. T. Mustaine, and Mrs. J. B. Cook, of Horse Cave. He had been a member of the Church of Christ for many years, and was an upright, Christian gentleman. The remains were taken to his former home at Horse Cave Friday, where interment will be Saturday.

"UNCLE BERRY" FOR SHERIFF.

"Uncle Berry" Howard, formerly of Crab Orchard, was down from Bell county this week, where he is now making his home. "Uncle Berry" is a candidate for the republican nomination for sheriff of Bell county, which is of course equivalent to election in that republican stronghold, and he says he is a sure winner.

25 Cents Destroys Your Dandruff And Stops Falling Hair

Save Your Hair! Make It Thick,
Wavy And Beautiful
Try This!

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf.

There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance, an incomparable gloss and softness; but what will please you most will be after just a few week's use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.

Colds Coughs Catarrh

A trinity of evils, closely allied, that afflict most people, and which follow one on the other, in the order named, until the last one is spread through the system, leading to many evils. But their course can be checked.

PERUNA CONQUERS

It is of great value when used promptly for a cold, usually checking it and overcoming it in a few days.

Ample evidence has proved that it is even of more value in overcoming chronic catarrh, dispelling the inflammatory conditions, enabling the diseased membranes to perform their natural functions, and toning up the entire system.

The experience of thousands is a safe guide to what it may be expected to do for you.

Liquid or tablets—both tested by the public and approved.

"Goodnight Corns!" We Use "Gets-It!"

3 Drops in 2 Seconds. That's All.
"GETS-IT" Does the Rest.
Never Fails.

"Really, I never could see how some few people use the most difficult and painful way they can find to get rid of corns. They'll wrap their toes up with bandages into a package that fills their shoes full of feet and makes corns so painful they've got

to walk sideways and wrinkle up their faces. Or they use salves that eat right into the toe and make it raw and sore, or they'll use plasters that make the corns bulge, or pick and rouge at their corns and make the toes bleed. Funny, isn't it? "GETS-IT" is the simple, modern wonder for corns. Just put 3 drops on. It dries instantly. No pain, fuss or trouble. The corn, callus or wart loosens and comes off. Millions use nothing else.

"GETS-IT" is sold and recommended by druggists everywhere. 25c a bottle, or sent on receipt of price, by E. Lawrence & Co., Chicago, Ill.

Sold in Stanford and recommended as the world's best corn remedy by The Lincoln Pharmacy and The Penny Drug Store.

Heard About Town

Born, to the wife of Henry Lunsford, on Nov. 26th, a little daughter, who has been named Fannie Lunsford.

Miller Broadbuss, a former well known colored man of Stanford, died in Lexington late last week and the remains were brought here for interment where he lived so long.

Mrs. John Blanks, of Hubble, sold to Bailey & Moss, 57 turkeys that brought her \$137.20. We know of no better way by which the housewife may make her "pin money"—Lancaster Record.

Mrs. T. A. Bradley, of Danville, has returned from Covington, where she has been at the bedside of her brother, Hon. R. C. Ford, United States Marshal for the Eastern district. For several days he was critically ill of pneumonia, but is very much improved at this time, and it is believed that he will recover. Mr. Ford's home is at Middlesboro.

Too Dangerous To Overlook

Stanford People Will Do Well To Heed The Warning

To have good health, the indigestion, heart, lungs and kidneys must work perfectly. When there is anything wrong with the digestion, heart or lungs, a very noticeable pain or distress gives prompt warning. Kidney trouble is more easily overlooked, however, and too often gains a long start. But kidney trouble does give early signs, and backache, dizzy spells, rheumatic pains, too frequent, scanty or, painful urination should not be neglected. When these warnings appear, use Doan's Kidney Pills, the reliable, successful, strongly recommended kidney remedy. Assist the medicine by taking things easier, reducing the diet and the use of liquors. A severe attack of kidney disease may be avoided. Doan's Kidney Pills have won the grateful praise of Stanford people. Read this Stanford resident's endorsement.

W. A. Brent, farmer, R. F. D. 2, Stanford, says: "I have used Doan's Kidney Pills and know they are a good medicine. My kidneys were weak and inactive and I had soreness and dull pains across my back. My kidneys acted irregularly also. Doan's Kidney Pills soon put my kidney in good shape."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Brent had. Foster-Milburn Co., Props., Buffalo, N. Y. 97-1

Good Work Is Our Specialty

If a Man Could Talk to Santa Claus With the simple Faith that His Children Do, He Would Probably Say Something Like This:—

DEAR OLD MAN:—

For all these years, you and I have been filling up the stockings of the universe. You have got a heap of glory out of it, and I don't begrudge you a bit; but if it hadn't been for my little checkbook they would have attached your sleigh for the taxes.

The folks are going to give me something this Xmas, of course. They always do. But tell 'em, won't you, that I am not collecting curios.

I Do Not Want

a new dog collar, a box of flowers, a box of candy, a bottle of perfume or some nickel cigars.

But there are things I do want. Some of them I must have. If I get them, they'll save me money.

Others I should like to have, but wouldn't buy for myself. If somebody would only give them to me, it would be great!

So, will you kindly give the list your attention, old friend:

I Should Like—

some new NECKTIES; nobody ever has quite enough ties, 25 and

50c. And Fancy Shirts—every man likes to have a few—50c to \$5.

A FUR CAP would be fine in the car. 50c to \$5.00.

It is about time I had a new pair of GLOVES, but unless some one gives them to me I shall probably go on wearing my soiled ones.

Everybody thinks he is harder on SOCKS than anybody else. I am. Some silk socks would certainly come in handy. 25 and 50c.

Many a night at home I would be more comfortable in a pair of HOUSE SLIPPERS; I like the leather kinds best. \$1 and \$2.

I could be made very happy with a new traveling bag or suit case. \$3 to \$15.

And if anyone wants to save me a nice bit of money as well as improve my appearance I am a candidate for a NEW SUIT OF CLOTHES or OVERCOAT.

Yours hopefully,

A MAN.

P. S.—And as you love me, fail not to tell 'em to buy the things in a MAN'S Store.

WHY THE NEWEST FORD Makes No Noise

Admirers of the new FORD car, with its absence of brass trimmings, its shapely hood and other features that contribute to its neat appearance, will be more than amused at the witicism of the claim that the reason the new FORD is practically noiseless is "because the brass band has been taken off the hood." Brass Bands always were noisy.

Still laying all attempts at wit aside, the new FORD Touring Car at \$360 and the New Ford Roadster at \$345 are without a peer for economy, low cost, durability and the ability to go where other cars can't go.

TO PROTECT THE ROADS IN WINTER

Some very sensible suggestions concerning the hauling of heavy loads over the roads in the winter time, have been sent out by the Road Department. Every one who wants the roads kept in as good shape as possible during the rough times of winter, should read and heed. They are as follows:

With the coming of the winter months when people will be transporting agricultural products to the market, it is thought well that the people in general be cautioned about the weight of load that should be hauled over macadam and gravel roads in order that the roads may not be badly damaged.

For wagons having tires 2 inches and less in width not more than 4,000 pounds including weight of wagon should be hauled.

For wagons having tires 2 1/2 inches not more than 4,800 pounds including weight of wagon should be hauled.

For wagons having tires 3 inches in width a load of 5,600 pounds may be hauled, and for wagons having 4 inch tires 7,200 pounds may be hauled.

The following rule may be used to calculate the amount that should be hauled on any wagon, cart, automobile truck or any other vehicle. The load should be so limited that the bearing of the load on each wheel, including the weight of the vehicle, all of which is transmitted through the axle, shall not exceed 500 pounds per inch of tire for tires 2 inches in width or less and for tires in excess of 2 inches in width the limit shall not exceed 500 pounds per inch width of tire for 2 inches of width plus 400 pounds for each additional inch of width.

There is no penalty attached to the load that may be hauled over the roads, but people should be public spirited enough not to want to damage the roads and should not haul more than the limit when it is a known fact that such action on their part is rapidly tearing up the roads.

The various counties have gone to considerable expense to put the roads in proper condition for winter traffic and all county authorities will deeply appreciate co-operation on the part of the public using the roads.

Dr. CALDWELL'S SYRUP PEPSIN
A SAFE AND EFFICIENT

Constipation is a condition that should never be neglected.

Mrs. E. R. Gilbert, of Millbro, Va., says that Dr. Caldwell's Syrup Pepsin is a splendid laxative for children because they like its pleasant taste, and it acts so easily and naturally, without griping or strain, and she finds it equally effective for the rest of the family.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin that contains no opiate or narcotic drug. It is mild and gentle in its action, and does not cause pain or discomfort. Druggists everywhere sell this excellent remedy for fifty cents a bottle.

To avoid imitations and ineffective substitutes be sure you get Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. NEW JOY IN LIFE 'FOR THIS WOMAN

Snatched From Suicide Dread
After 15 Years' Agony.

SHATTERED HEALTH MENDED

Mrs. Mattie Powers Leaves Home In Kentucky In Quest of Strength After Almost Giving Up Hope—Finds What She Sought But Not In Way She Expected.

"I thought seriously of committing suicide. Life seemed unbearable. I was just a burden to myself and my children. There seemed nothing ahead of me but years of agony. Death would be welcome.

"I had suffered for fifteen years. Seven different doctors had treated me. None of them held out hope. I had been flat on my back in bed for a year. My son had to turn me over with a sheet. I was helpless.

"Today I can do a full day's housework with ease. I can walk miles without tiring. I suffer no pain and enjoy every minute of life. I eat well, sleep well and have no more nervousness. I was weak and no more than a bag of bones; now I am gaining weight so fast I am outgrowing all of my clothes.

Owes Much to "Tanlac"

"I feel this to be the solemn truth—all of my regained health has been due to Tanlac, the wonderful medicine I

Mrs. Mattie Powers, and Her "Tanlac Smile," Acquired After 15 Years of Suffering From Ill Health.

had never heard of three weeks ago. I can never express my gratitude. I wish I could get up on the house-tops and shout to all the world what this medicine did for me. I have found Tanlac a veritable God's blessing."

The foregoing remarkable statement was made by Mrs. Mattie A. Powers, who lives at 1004 Superior avenue, Cleveland. It is one of scores of reports of similar extraordinary results secured from the use of Tanlac, the modern stomach tonic and system purifier.

Left Home In Kentucky.

Continuing, Mrs. Powers said: "If I had not experienced it all myself I could not have believed it possible that any medicine could do for me what Tanlac has done. I was forced to leave my old home near Lexington, Kentucky.

Recovery Is Rapid.

"Just three weeks ago I tried Tanlac. Within a very few days I discovered I was sleeping better. I could eat without such terrible pains and my bowels were moving naturally. Color came back into my face and I began to gain in weight. I found I did not tire out when I tried to do housework, and soon it was a pleasure to me. In the first week I gained four pounds. I do not know how much I have gained since then, but I do know that all of my clothes are getting too tight for me.

"I will be only too glad to talk with any one who wants to come and ask me about Tanlac. I feel I never can repay the debt of gratitude I owe to the discoverer of this medicine."

Tanlac is sold exclusively in Stanford at The Penny Drug Store, E. R. Coleman, Proprietor.

Tanlac can now be obtained in following nearby cities: Moreland, Abraham Minks; Hustonville, Adams Bros.; McKinney, True & Co.; Ellisburg, Joe McWilliams; Middleburg, W. C. Bryant; Crab Orchard, Lyne Bros.; Brodhead, John Robins; Lancaster, R. E. McRoberts; Bee Lick, J. Reynolds & Son; Waynesburg, W. A. Horton.

McD Fogle went to Liberty Monday to assist in organizing the County Democratic Committee.

Miss Evelyn Cash, who teaches on Casey's Creek, came over Friday and remained till Sunday with the home folks.

H. T. Shoemaker, who lives on Grove ridge, four miles east of here, is critically ill of Bright's disease, with but little hope of recovery. He was a very fleshy man and now he is said to be reduced to a mere shadow of his former self.

J. R. Wingate, who lives at the Fogle farm will have a sale Saturday, Dec. 11. He will likely move to Danville.

There are already four candidates announced for county offices down here and there are a host of others yet to come, so you see there is lots of fun ahead for us democrats, who have no part or lot in the fight.

Bird hunters claim to have a mighty "poor pickin'" in this neck of the woods. They say quails are scarce, and that rabbits are not plentiful. A few more laws and game wardens, and we will have no game at all.

The Democrats of this precinct met here Saturday and elected R. M. Fogle as committeeman for this precinct. The selection is a good one, as Mr. Fogle is a dry man that cannot be bought.

Mrs. W. T. Miller and little son, Wyatt, returned from Columbia Saturday, where they had visited relatives.

Miss Ruby Lee Fogle went to Danville Thanksgiving. Miss Sallie Estes accompanied her to McKinney and visited Mrs. Tom Gooch.

Jesse D. Wearen and T. D. Raney were here last week soliciting insurance.

Democrats now seem to be in a hurry to do what they might have done a year ago. But A. O. Stanley and his crowd were running things then and it will be remembered how nearly they came running us into the ground. Thanks to Hon. J. D. Black, H. V. McChesney and others like them, who saved it with even a bare "40" majority.

If the price of food stuff goes much higher, three square meals per day will be out of the question with many of us poor mortals.

Hens have gone on a strike and the ladies are wondering where they will get their Christmas eggs.

Rev. Luther Young has resigned as pastor of the Christian church at Yosemite and his discourse, Sunday morning closed his work there. It is understood that efforts will be made at once to secure the services of a pastor for next year.

Heard About Town

Recently there appeared in one of the daily papers a clipping from a paper printed in Somerset which said some one in Pulaski county had taken to the editor an old lantern of very unique and ancient make, being made of a very peculiar kind of tin, such as is not seen nowadays. The lantern is perforated to allow light to shine from it. The party who owns the lantern claims it is the one Diogenes carried when hunting for an honest man. The I. J. thinks it has this man beaten to a finish. J. J. Painter has brought to this office a lantern which must be identical with the one mentioned above but which was in use so long that the little door was worn from its hinges. Mr. Painter says he can not remember the exact date Diogenes used a lantern hunting for an honest man but says this lantern has been in his family more

Nine-tenths of women's sickness comes from disorder of these special organs. The symptoms are various—the cause the same. Dr. Pierce's Favorite Prescription is the remedy for the headache, backache, nervousness, wakefulness, neuralgia and fifty other troubles of women which can always be traced directly to feminine weakness or disease. Thousands of women fight here in Kentucky, after years of discouragement, have written to Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., and now thank him for their renewed health and happiness. It is a medicine devised to cure one certain kind of disease—female disease. It brings ease and comfort and sleep. It restores perfect health. It fills out cheek-hollows, brightens the eyes, puts vim and snap into the whole body.

It is a wonderful prescription prepared only from nature's roots with glycerine, with no alcohol to falsely stimulate. It banishes pain, headache, low spirits, hot flashes, dragging-down sensations, worry and sleeplessness surely and without loss of time.

Sick women are invited to consult Dr. Pierce, by letter, free. Address Dr. Pierce, Invalids' Hotel, Buffalo, N. Y. The modern improvement in pills—Dr. Pierce's Pleasant Pellets. They help Nature, instead of fighting with her.

than 40 years and was formerly the property of his grandfather, Judge James G. Carter, who lived in Rockcastle county ever since the rebellion and who died in 1900 at the age of 82. The lantern was handed down to him from his parents who came from Scotland to Virginia more than 125 years ago.

Mr. Painter declines to tell his exact age but says when a boy he used the lantern in hunting "possums" around Brodhead.

IN MEMORIAM

On Saturday, November 18th, the Death Angel visited the happy home of Mr. and Mrs. D. G. Broughton and took from them their son, Josh, aged 11 years. He was a noble, obedient son. How much he will be missed in the home where he was dearly loved! Our deepest sympathy goes out to the bereaved family in their dark hours. After services by J. W. Dishon the remains were laid to rest at Ephesus.

The gentle voice now is hushed,
The warm, true heart is still,
And on the young and innocent brow
Is resting death's cold chill.
Thy hands are clasped upon thy breast.

We have kissed thy lovely brow
And in our aching hearts we know
We have no darling now.

Those little lips so sweet to kiss
Are closed forever now,
Those sparkling eyes that shone so bright,
Beneath that pearly brow,
That little heart that beat so high,
Free from all care and gloom,
Are hidden now from those he loved,
Beneath the silent tomb.
—Martha Chappell.

THE SHOE PINCHED

A preacher at the close of one of his sermons said, "Let all in the house who are paying their debts stand up." Every man, woman and child, with one exception, rose to their feet. "Now, every man not paying his debts stand up." The exception, a careworn, hungry-looking individual, clothed in his last summer's suit, slowly assumed a perpendicular position.

"How is it, my friend," asked the minister, "you are the only man not able to meet his obligations?"

"I run a newspaper," he answered meekly "and the brethren here who stood up are my subscribers, and—"

"Let us pray," exclaimed the minister.—Ex.

CROP AVERAGES OF 18c TO 24c, ARE COMMON OCCURRENCES

SCENE AT OPENING SALE OF DANVILLE TOBACCO WAREHOUSE COMPANY

Not in the history of the loose leaf tobacco market in Kentucky has such uniformly high prices prevailed as have been paid this week. Bidding was never known to be so spirited. It's a rare thing that a crop is found that brings less than 10 cents a pound. A great scarcity exists and the buyers are making desperate efforts to secure the most possible. It is impossible for the people to realize just how high the prices are without being on the market and seeing the quality as well as observing the amount being paid. The I. J.'s advice is for the growers to visit the Danville market and see with their own eyes before disposing of their crops. Danville this year opened with a higher floor average than any market in the state, and the record has been kept up following days.

W. M. Onstott, of Garrard county, got \$24.50 per hundred for his whole crop; R. L. Berry got \$18.68 per hundred for his crop; W. A. Brent, of Lincoln county, \$18.90; Z. O. Raney, of Marion county, \$19.23. The following are a few of the large number of big averages made:
